What you need?

Welcome to the Electronic Visa Applications Forms Instructions Page. Forms available on this page can be filled out on-line and assist in the processing of your application.

- If you are using Internet Explorer (Windows), the minimum version that will work with this site is version 9.0.
- If you are using Mozilla Firefox, the minimum version that will work with this site is version 3.5.
- You must also have Adobe Acrobat Reader version 8.0 or higher installed on your PC in order to download and print the completed application form. (If you do not have Adobe Acrobat Reader)
- You should use either an ink-jet or laser printer to print the completed application form.

Before you apply, please check our [supported countries](#) where you can find out if the country you are applying accepts on-line applications.

Currently the service allows submission of applications for NEW VISA, EXTENSION OF VISA, NO VISA REQUIRED(NVR) and ON ARRIVAL VISA(OAV).

You will require an Email-address to complete the online forms. This is for security reasons and also so that we can contact you regarding your online application.

We will also ask you to print your online visa application form as part of this process; therefore you will need the ability to print from your computer.

We also suggest that you have the following information on hand:

- Passport
- 45mm x 35mm Digital Photo in JPEG format; Maximum size is 300kb (Photo is optional).
- Address in Bangladesh

use a false immigration passport to offer false information to be banned if you have breached the law or who produce a false travel document or for their children are committing an offence. Penalties may include imprisonment or a fine (or both).

Scroll to the bottom of the page, check the box "I have read the above information..." and click Next

I have read the above information and the relevant guidance notes
