

**Stanford Travel Study Southern India Program  
January 2025**

Once you have placed your order, you will be required to fill out an application form with the required details required to apply for the visa. For your convenience, your travel details are provided below.

If you prefer not to fill out the application form on your own, you may choose the optional Application Preparation Service offered as you place your order. A Passport Visas Express visa specialist will call you to arrange a time to obtain the required information from you over the phone.
