I am aware that the visa fee is not refunded if the visa is refuse							

I am aware of and consent to the following: the collection of the data required by this application form, the taking of my two photographs and, if applicable, the taking of fingerprints, are mandatory for the examination of the visa application; and any personal data concerning me which appear on the visa application form, as well as my fingerprints and my photograph will be supplied to the relevant authorities of Ukraine and processed by those authorities, for the purposes of a decision on my visa application.

I do hereby confirm that I have read and understood everything stated above. I declare that the information given by me on this application to the best of my knowledge is true. I am aware that untruthful data presented by me in this application may serve as a reason to refuse the issue of Ukraine's entry visa and to refuse me to enter Ukraine even in the case the entry visa has been issued.

I undertake to leave the territory of Ukraine before the expiry of the visa, if granted. I have been informed that possession of a visa is only one of the prerequisites for entry into the territory of Ukraine. The mere fact that a visa has been granted to me does not mean that I will be entitled to compensation if I fail to comply with the relevant provisions of the legislation of Ukraine and I am therefore refused entry. The prerequisites for entry will be checked again on entry into the territory of Ukraine.
